City Clerk Agenda

To: City Council <CityCouncil@CambridgeMA.GOV>; Paden, Liza <lpaden@cambridgema.gov>;

Cc: Lopez, Donna <dlopez@cambridgema.gov>;

Clerk Lopez, please enter into the council record. Ms Paden, please forward to Planning Board.

Please support building denser housing in Cambridge like the Normandy Tower. We need more affordable housing, and the only way we're going to get it is by having more and denser housing - less parking and more people. By fighting increased housing in Cambridge our neighbors are preventing growth and keeping local people from homes, jobs, public transportation, and other opportunities. Cambridge can honor its past, protect its historic structures, and increase housing. Please continue to push for affordable housing and livable neighborhoods -- including new high-rise towers in places that are appropriate such as Central Square.

Thanks for all your hard work to make Cambridge a great place to live for years to come,
